Just two years after the record setting State Championship, 1992 basketball team, Mynderse boys' basketball was at it again vying for a second State championship in the history of the school. This 1994 team was stacked with underclassmen starting the team's only three seniors. The 1994 team had an impressive season leading up to post season play. The team seemed to cruse through the Sectional Tournament, then to meet the top State ranked Buffalo Traditional team. Traditional listed 2 players with a combined scoring record of 4,610 points. Tough Mynderse defense held these 2 players to a combined 19 points as the team breezed into the Final

Four in Glens Falls. The excitement continued as Mynderse trailing Albertus Magnus in the State semi-finals by 1 point with only 1 second to play, looped an inbound pass to Brian Noble who caught and banked the winning basket as the buzzer sounded. Unfortunately, the team's "gas tank" was running on fumes, the next night, after leading Bishop Ludden in the first half of the State finals, they couldn't hold on for the last 16 minutes. The 1994 team is one of only five teams (of any sport) in the history of Mynderse to make it to NYS Tournament Finals.
